

CONNECTICUT POST

The Giving Fund

Help make your neighbors' lives better.

The Connecticut Post is proud to be working for a third year with United Way of Coastal Fairfield County, the Family & Children's Agency (FCA) in Norwalk, and FSW in Bridgeport on a Giving Fund this holiday season. Actual cases of local families and individuals in need will appear in the Connecticut Post every Thursday, through January 3, 2013.

To help, please select a case you'd like to support. No donation is too small. When a case is fully funded, donations automatically will go to other needy cases.

100% of your dollars go directly to aid those in need. No administrative costs are being deducted for the newspaper or our agency partners.

Please enclose the following Giving Fund coupon with your donation.
