Dear Debra:

The correspondence from GPD Incident Report 07-102083 that you requested is attached in a redacted form.

The information that was deleted is that which may identify the victim or constitute an invasion of privacy to the writer as well as the addressee. In my judgment it would not serve a matter of legitimate public concern to release personal details of such correspondence that may be highly offensive to a reasonable person.

Very truly yours,

Gregory S. Hannigan
Director of General Services

Thanks for getting back to me and showing interest in a possible arrangement with me. I am really happy to hear from you, and I would love to get to know you better.

As a preliminary matter, let me give you a few details to think about.

I can only meet during the weekdays around midday. Typically, Tuesdays, Thursdays and Fridays between 12:30 and 2:30 p.m. are best. This is because I spend all of my weekend time with my children. (This is one of the benefits of having been so successful at a relatively young age that I could retire four years ago at the age of 48.) There are occasional exceptions to this (some Sunday mornings), but in general I am not available at night or during the weekends. Furthermore, we would need to meet only when my wife is away. Since I don't really travel, for the most part the meetings would have to be out here in the

Greenwich - Stamford area. There is a Hyatt Regency hotel (the Greenwich Stamford Hyatt) that is a good place to meet.

Regarding your financial assistance, my initial thoughts are cash compensation in the range of \$2,000 to \$3,000 per meeting, assuming that we meet about twice a month, plus expenses. In addition, if there is anything of an impersonal nature (such as electronics items) that you would like me to purchase for you on line and have shipped to your home, I'd be happy to do this. If you are interested in relocating, I will pay for your moving expenses and switch you over to a monthly allowance which would cover your expenses. If you have other financial needs, I'd be happy to discuss them. I am flexible on this whole subject, and am even willing to wire money directly to your checking account if needed.

I am 100% honest. I have nothing to hide and no reason to lie. I would like to learn more about you, your background, your interests and your ambitions. I would specifically like to hear about your motivations for doing something like this - that is, setting up an "arrangement" with someone like me.

I have attached a couple of pictures of myself. If you have other pictures of yourself that you would be comfortable sharing with me, especially ones that might show off your body (such as naked, lingerie or bikini photos, for example), I'd be delighted to see them.

to discuss them with you in greater detail.

I look forward to hearing back from you. I know that the distance between us could be a problem, and so could your schedule. But you should know that I am seeking something long term that will last awhile. I feel this is important given the time, effort and expense involved on my part.
