The Advocate and Greenwich Time Giving Fund provides assistance to needy families in lower Fairfield County. Cases are provided by Family Centers, Person-to-Person and The Volunteer Center of Southwestern Fairfield County. Cases will appear in paper through December 31. Each case is assigned a number so you can include it with your donation. When donations meet the need of a case, the funds will be distributed to others served by the agencies. Because the resources needed to operate the program are donated, *every cent reaches the needy*. The cases are published in the newspapers on Thursdays and Sundays. Complete list of cases is at [stamfordadvocate.com](http://stamfordadvocate.com), [greenwichtime.com](http://greenwichtime.com) and [norwalkadvocate.com](http://norwalkadvocate.com).
